

# Term 3, Week 2 Update

Welcome back!

Term 3 has started off calmly and with a strong focus here at Mākara Model School. Our children are already in full swing with their Kapa Haka practices, eagerly preparing for the upcoming Festival on 15 August.

Don't forget, Student Goal Setting interviews are next week. Be sure to book your time-slot through Hero to discuss your child's progress and set new goals.

We're excited to announce that Whānau Hui's are back! This Friday, join us in the Library at 2.15pm as Kārearea hosts the first hui of the term. These Hui will be held each fortnight, hosted by a different class.

Events coming up soon:

Mark your calendars for a Parent Information Evening on 26 August at school. We'll cover various learning areas, our teaching methods, and ways you can support your child's learning at home.

Lastly, don't miss an amazing opportunity to hear from Judith Locke, presenting at Wellington College on Wednesday, 4 September at 7pm. Her insights are sure to be invaluable.

Looking forward to a productive and engaging term ahead!

Ngā mihi nui,  
Caro
